UNDERTAKING TO BE SIGNED BY THE APPLICANT

I apply for registration as a Professional Engineer. I confirm that, in the event of my acceptance, I will discharge my professional duties within the regulations and the rules of professional conduct prescribed by the IESL Registration Board. I will also accept as final and binding, any decisions made by the IESL Registration Board, its committees or sub-committees. I will also undertake the required number of Continuing Professional Development [CPD] training days each year that may be prescribed by the IESL Registration Board and to submit my record of this to the IESL Registration Board prior to renewal of my registration.

Signed : _____

Date : _____

Notes for the Applicant :

1. *Requirement for Registering as a Professional Engineer*
 - *A four (4) year accredited degree in engineering (attach copy of certificate)*
 - *be actively engaged in engineering service, either in industry or academia or administration.*
 - *be a Corporate Member of the IESL or a recognized Institution with a minimum of three (3) years service after obtaining the grade of Member.*
